Cast of characters:

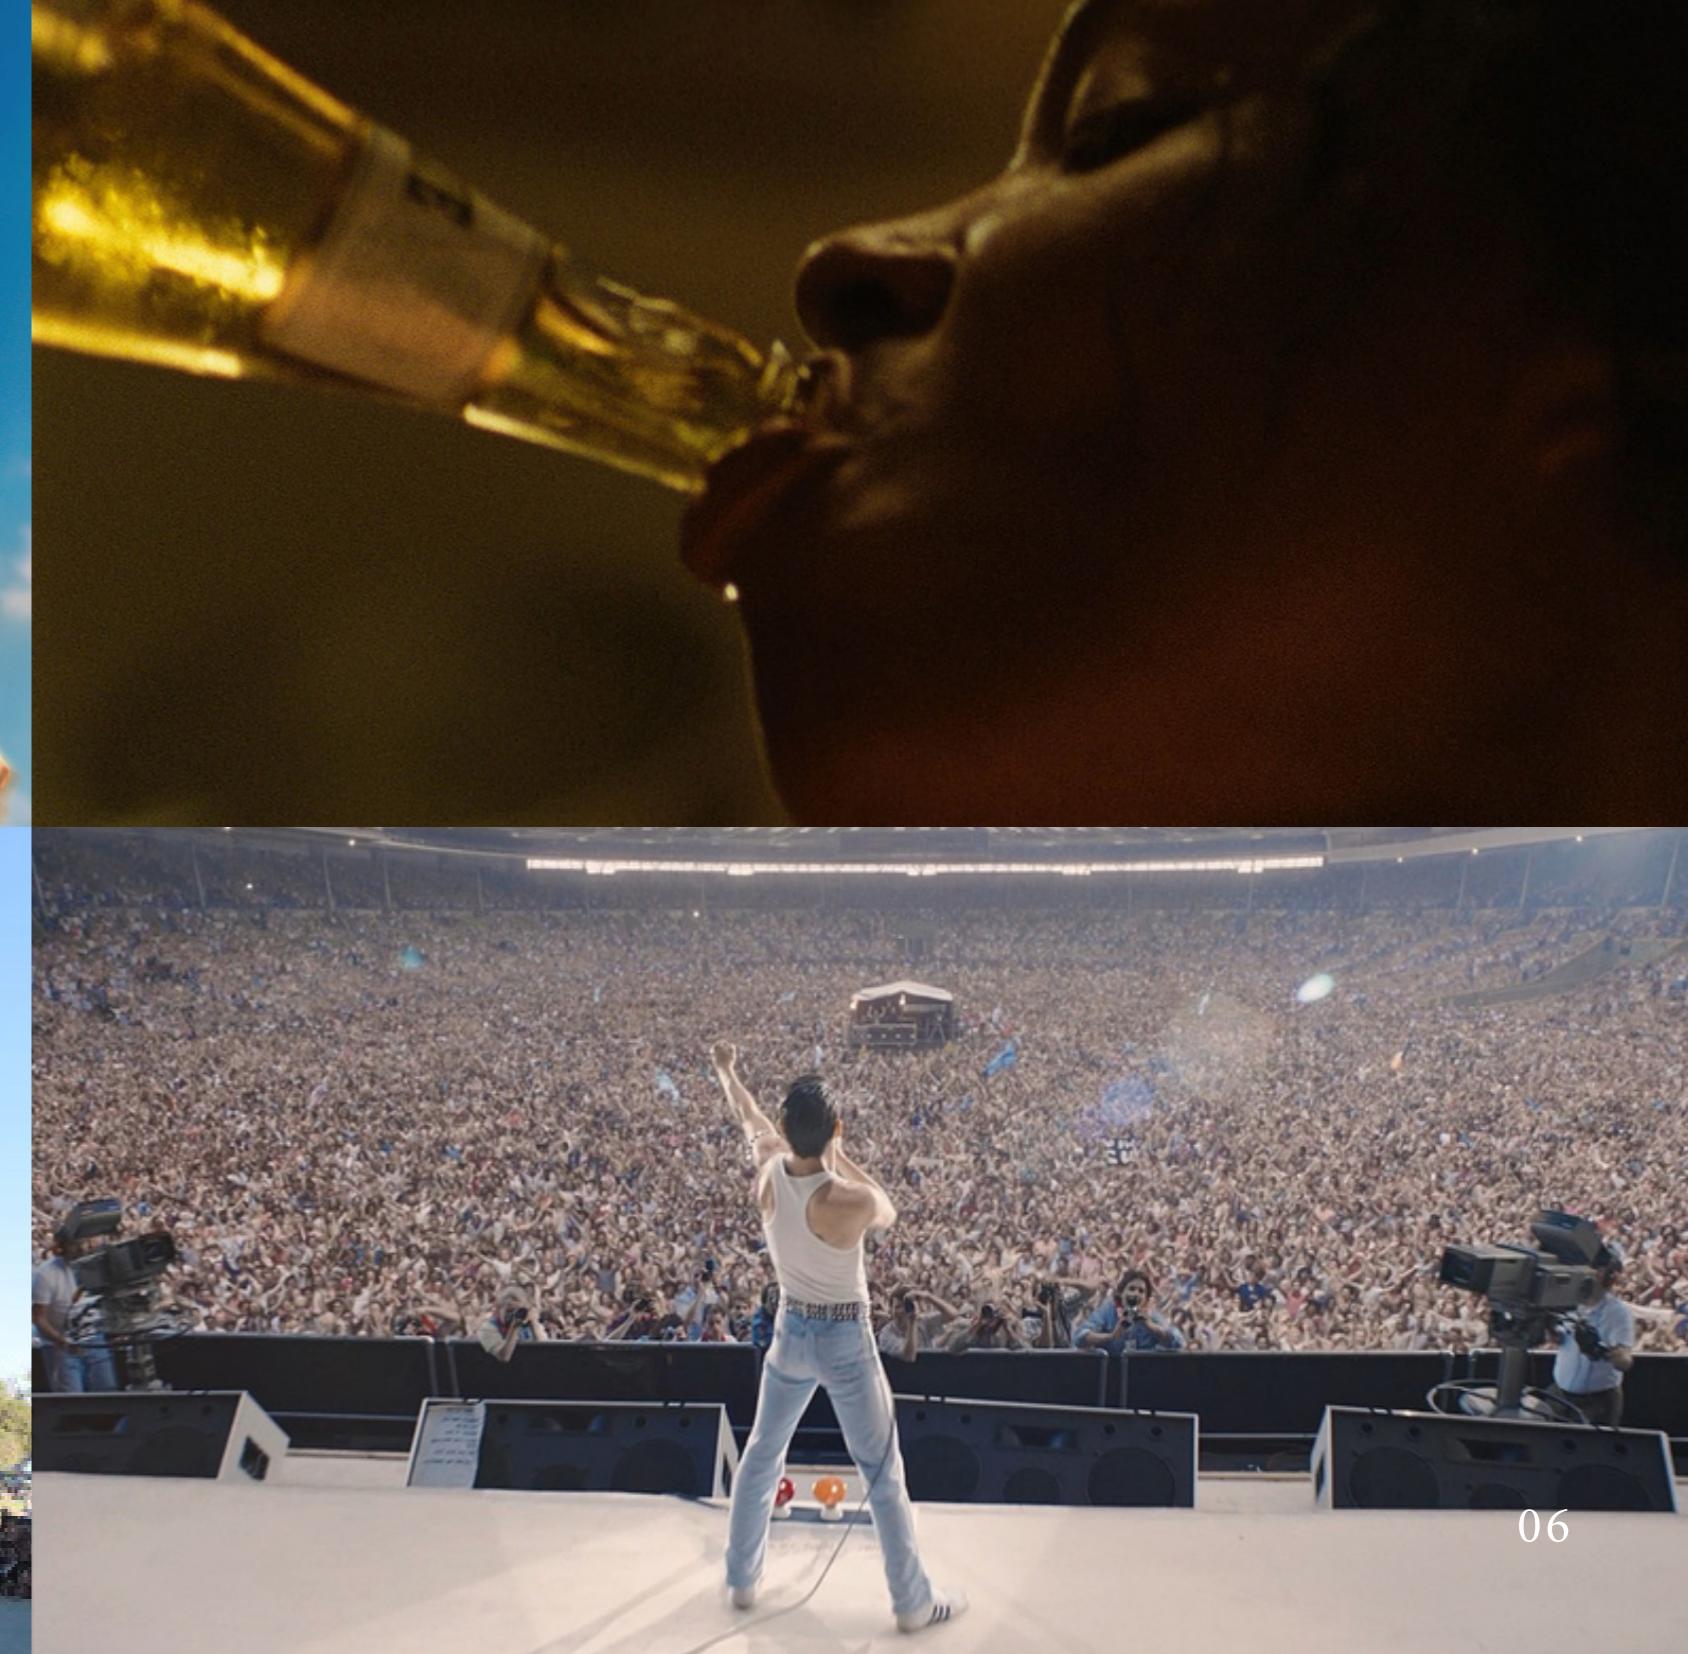

A stack of billiard balls of various colors (white, red, blue, green, yellow, orange) arranged in a pyramid-like shape. Each ball features a mathematical symbol or constant instead of a number: the top ball is blue with a white circle containing a question mark; the second row from the bottom has a red ball with a white circle containing a plus sign, a blue ball with a white circle containing a minus sign, and a green ball with a white circle containing the Greek letter pi; the bottom row has a white ball with a black circle containing a multiplication sign, a red ball with a black circle containing a division sign, a blue ball with a black circle containing a less than or equal to sign, a green ball with a black circle containing a greater than or equal to sign, and a yellow ball with a black circle containing a decimal point.

A wide-angle photograph of a massive stadium crowd, filling the entire frame. The perspective is from high above, looking down onto a stage. On the stage, a person with dark hair, wearing a white tank top and light blue jeans, is captured in mid-motion, raising their right arm. They are positioned behind a row of large black speakers. The stage floor is a light-colored concrete or wood. The background is filled with the heads and shoulders of thousands of spectators.

The Parched Rockstar

A man in a dark blue pilot's uniform with gold stripes on the sleeves and a white cap with a gold emblem stands in front of a severely damaged white airplane. The plane's fuselage is crushed, and its wings are bent. The background shows a field with some debris and a cloudy sky.
